About Our School:

CENTER STAGE DANCE LA is a school uniquely designed to encourage an appreciation and interest in dance and music. While sharing our love of dance, we strive to provide a fun, enthusiastic and nurturing environment for our students. All of the teachers at CSD are working professional dancers and choreographers who have performed in TV commercials, music videos, movies and stage shows. We are very proud to have been listed in the July 2000 issue of Los Angeles Magazine as “best kids dance classes in L.A.” Three year olds start with a 45-minute class of Creative Movement to develop simple dance skills. Classes for ages 4 to 7 are one hour long and combine Creative Movement, Ballet and Tap. One hour classes in Jazz, Ballet, Modern, Tap, Tumbling and Hip-Hop are offered for ages 8 & up. We also offer a children’s Musical Theater class which combines dancing with singing & acting. Teens & adults can enjoy beginning Jazz and Ballet classes. Every June Center Stage Dance LA presents a Dance Recital in which all the children and teenagers are encouraged to participate. The recital is staged in full costume and is an event which is always enjoyable for the performers, their families and friends. Parents are responsible for the cost of costumes. An admission fee is charged to cover the school’s expenses.

About Miss Rosie:

Rosetta Gitlin, began performing with Ginger Rogers in “Hello Dolly”, then went on to become one of the Golddiggers on “The Dean Martin Show”. The Golddiggers also sang and danced live all over the United States and in Viet Nam with the Bob Hope USO Tours. Rosie performed on “Laugh-In”, “The Tonight Show with Johnny Carson” and in the Opening Ceremonies of the 1984 Olympics in Los Angeles. Since 1976 she has been teaching in this area, affiliated with several well known and established schools. This year marks her twenty fifth anniversary owning her own studio, Center Stage Dance LA, formerly known as Petite Dancers.

About Music Together:

Research proves that early integration of music into your child’s daily routine means improving his ability to think, reason, create and express. Music Together is an early childhood music program for children ages birth through Kindergarten and their parents and caregivers. Our mixed-age classes are taught by a registered Music Together teacher and include 45 minutes of singing, dancing, and child-friendly instrument and prop play. And it all happens within a nurturing, small class environment full of energy, imagination, music, movement and lots of FUN!
